

Program of the 4th Conference
"Metal – 2005: Management, Production, Trade, and Consumption"

1st Session

"Interaction between the state and metallurgical business"

September 29, 2005, 10 a.m. – 1 p.m.

Moderator: Sergey Grischenko

- 1 **State industrial policy for development of mining and metallurgical complex of Ukraine**
Sergey Grischenko, Deputy Minister of industrial policy of Ukraine
- 2 **The strategy of state-owned enterprise privatization in present-day economic environment of Ukraine**
Viktor Petrov, first Deputy Chairman of the State Property Fund of Ukraine
- 3 **Problematic issues of competition development in mining and metallurgical complex of Ukraine**
Svetlana Moroz, Deputy Head – state authorized representative of Antimonopoly Committee of Ukraine
- 4 **Capital investment in mining and metallurgical complex of Ukraine**
Faruk Siddiki, first Vice President of ISTIL Group of companies
- 5 **Evolution of relations between the state and metallurgical industry: world experience**
Igor Burakovskiy, Economic research and political consulting institute
- 6 **New power and business**
Alexander Paskhaver, President of the economic development center
- 7 **Problems and solutions of relations between Ukrainian mining and metallurgical complex and state natural monopolies**
Vasilii Kharakulakh, Director general of Metallurgprom Production Association
- 8 **Some aspects of control regulation in state assistance to economic agents as a part of competition policy**
Anna Lozovaya, Kiev National University named after T. Shevchenko
- 9 **State regulatory policy in scenarios of ferrous metallurgy development**
Lev Medovar, Electrical Welding Institute named after E.O. Paton
- 10 **Problems of Kyoto protocol implementation**
Grogoriy Shmatkov, President of Ecology Association of Mining and Metallurgical Enterprises of Ukraine

2nd Session

"CIS metallurgical industry: working in the environment of world market transformation"

September 29, 2005, 2 p.m. – 6 p.m.

Moderator: Sergey Grischenko

- 1 **World steel market conjuncture forecast in 2006**
Victor Kovshevniy, Director general of Intellektualnie resursi (Intellectual resources) Company (Moscow)
- 2 **Global steel market: threats and prospects for Ukrainian metallurgy**
Vladimir Pikovskiy, Alexander Siryk, DerzhZovnishInform Center

3 Ukraine's rolled metal market: present status and development prospects

Vladimir Terlovoy, Metal-Courier information agency

4 Russia's rolled metal market: present status and prospects

Vadim Greenberg, Editor-in-chief, "National metallurgy" (Moscow) monthly

5 Role of the Ukrainian association of metal trade in development of domestic metal market

Albert Fedoseyev, President of the Ukrainian association of metal traders

6 Ukrainian pipe production prior to the WTO entrance: present status, problems, goals, and prospects

Leonid Ksaverchuk, Director general of UkrTruboProm Association

7 Tube market – stability problems for Ukrainian producers

Viktor Sergeyevev, Director of NITI State Enterprise

3rd Session

"Raw stock supplies to metallurgical complex"

September 30, 2005, 10 a.m. – 1 p.m.

Moderator: Dmitriy Belokurov

1 Present situation and prospects of mineral raw materials supply to Ukrainian mining and metallurgical companies

Leonid Galetskiy, Head of department in Geologic Sciences Institute under the National science academy of Ukraine

2 Iron ore stock supplies to Ukrainian metallurgical production

Alexander Plotnikov, Economics University of Krivoy Rog (KNEU)

3 Globalization of iron-ore market and prospects for creation of Eurasian mining and metallurgical company by enterprises of Ukraine, Russia, and Kazakhstan

Dmitriy Tarasov, Executive Director of MetalloInvest CJSC (Moscow)

4 Geologic and technical administration of pilot industrial exploration of Mariupol rare-metal deposit in Priazovje district

Nataliya Cherniyenko, Geologic Sciences Institute under the National science academy of Ukraine,
Vladimir Boyko, Chairman of the board of Ilyich Iron & Steel Works of Mariupol

5 Reforming of subsurface use economic mechanism

Ivan Andrievskiy, State Ore Mining Institute of Ukraine

6 Environmental and resource problems in restructuring of Ukrainian mining regions

Evgeniy Yakovlev, Institute of National Security Problems under the Council of national security and defense of Ukraine

7 Conjuncture of energy resource market and coke consumption for pig iron melting

Anatoliy Starovoyt, Director general of UkrKoks (UkrCoke) Production Association

8 Ferrous metal scrap – strategic raw source for metallurgical industry

Valentin Makarenko, Chairman of supervisors' board of the Ukrainian Metal Scrap Association

4th Session

"Business management, metal consumption, and metal trade"

September 30, 2005, 2 p.m. – 6 p.m.

Moderator: Dmitriy Belokurov

- 1 **Project management of metallurgical industry development: from vision to reality**
Nataliya Bushuyeva, Deputy Director general of UKRNET project management association of Ukraine
- 2 **Quality system in industrial project management**
Peter Kalita, President of Quality Association of Ukraine
- 3 **Enterprise transformation into project oriented company – goals, problems, and experience**
Andrey Stalnoy, Director general; of YuzhTeploEnergoMontazh OJSC
- 4 **Management development at metallurgical companies: Germany's experience. WTO accession and its influence on enterprises**
Yuliya Obshanskaya, German Management Academy of Lower Saxony
- 5 **Customer service or efficiency in metal production: which is the primary goal in present-day competition in metallurgy**
Andrey Ioltukhovskiy, i2 company (Moscow)
- 6 **Application of protective measures in world steel trade – recent tendencies and prospects**
Oleg Malskiy, Magister & Partners Attorneys-in-Law (Kiev)
- 7 **Present situation and prospects of metal consumption by industries in Ukraine**
Leonid Suplin, Scientific Economic Research Institute under the Ministry of Economy of Ukraine
- 8 **Modern metallurgical mini-mills: prospects for Ukraine**
Vladimir Safonov, Alexey Smirnov, Donetsk National Technical University
- 9 **Prospects and problems in complex application of out-of-furnace steel casting and treatment equipment**
Sergey Yeronko, Donetsk National Technical University
Alexander Manshilin, Director general of Donix NPO
- 10 **Adjusting to present-day demand for the number, structure, and quality of specialists training for Ukrainian mining and metallurgical enterprises**
Dmitriy Chernega, Kiev National Technical University (KPI)
- 11 **Reserves of rolled metal market development**
Vladimir Vlasyuk, Director of UkrPromVneshExpertise state enterprise
